

# Sertoma-Schiefelbusch Communication Camp

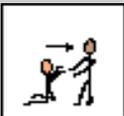

## REMINDERS:

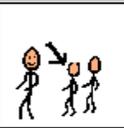

### Camp Rules

Be nice to your friends

Help each other

Stay with your group

**There will be some activities outside each day. You may want to apply sunscreen.**

Wear your RED camp shirt on Friday for the field trip!

### Fun Facts:

#### Continental Extremes

- ⇒ The continent with the largest land area is Asia.
- ⇒ The coldest recorded temperature was on the continent of Antarctica (Vostok in July, 1983).
- ⇒ The hottest recorded temperature was on the continent of Africa (Libya in September, 1922).

**Today: Monday, June 19, 2017 – Going on a Trip**

## WELCOME TO CAMP

Today, we met our new camp leaders and divided up in small groups. Can you guess which group I am in? We went to a big group where we learned the camp rules and a fun camp song. We will meet in this group at the beginning of each day. After big group, we did lots of fun things. We made new friends. We made passports and a team banner. We watched a video about the seven continents and had animal crackers for a snack. We played a suitcase game, “hot-potato” using a globe, and went on a scavenger hunt to find animals that live on the continents. We were very busy!

**Tomorrow: June 20, 2017 – Antarctica**

Tomorrow we will learn about Antarctica. We will go “ice fishing”, make a penguin craft and play musical chairs. We will have a speaker who will tell us interesting things about Antarctica and the South Pole. We will excavate sea creatures that are frozen in a block of ice, play board games, and play games from a DVD about penguins and Antarctica. Our special song for the day is I’m a Little Penguin! We will have ices for snack.

Please note that in an effort to save paper, the newsletter for each camp day will be available on our website:

<https://splhclinic.ku.edu/communication-camp>

If you feel your child would benefit from a paper copy, please add your name to the sign-up sheet located near the entrance.
