## Today: Tuesday June 20, 2017–Antarctica

Today camp started in big group where we sang our camp song and talked about what we would be doing. Our song for today was “I’m a Little Penguin”. After big group, we went “ice fishing”, played musical chairs, and made a penguin craft. Our speakers today taught us interesting things about Antarctica and the South Pole. Our snack was icees, of course!

We excavated sea creatures that were frozen in a block of ice. To try to get them out, we used salt to melt the ice, and chipped the ice with toothbrushes and spoons. We also played an animal matching game. Today, we started our digital scrapbooks on the computer. We looked at pictures from camp on the big screen. It was a busy day, but it was fun playing with new friends!

## Tomorrow: June 21, 2017–Australia

Tomorrow we will learn about Australia. We will make clapping sticks, hand stencils, and hop like kangaroos while playing games like red light/green light. We will watch a champion boomerang thrower and listen to a story about an oil spill. Our team will play outside with chalk and we have fun playing Australian recess games. Our snack will be Ritz Crackers, and our special song for the day is “Kookaburra”. And, of course, we will add pictures to our digital scrapbook.

**Please note that in an effort to save paper, the newsletter for each camp day will be available on our website:**
