Today: Wednesday June 21, 2017–Australia

Today we learned about Australia. We started our day in big group. We learned a new song called “Kookaburra”. It is a popular song in Australia. There were lots of fun activities that helped us learn about Australia. We learned about water pollution and tried to clean up some water! It was fun to play with sidewalk chalk and watched how it changed when we used water! Playing fun recess games was awesome! We hopped like kangaroos while we played games like Red Light/Green Light. One of the best parts of the day was watching Bill throw his boomerang, I want to try! We picked out pictures to put in our digital scrapbook. I like to see the pictures of my friends and me. I can't wait to come back tomorrow.

Tomorrow: June 22, 2017 –Asia

Tomorrow we will learn about the continent of Asia. We will try rhythmic gymnastics. There will also be ribbons, hula hoops and balls so we can try different moves. We will make a story cloth, build the Great Wall of China out of big blocks and have a dragon parade. We will create Tanagrams using different shapes. I hope it's a little windy tomorrow because we are going to make kites and go outside and fly them! We will choose our favorite pictures to put in our digital scrapbook. Our snack will be graham crackers.

Please note that in an effort to save paper, the newsletter for each camp day will be available on our website:

If you feel your child would benefit from a paper copy, please add your name to the sign-up sheet located near the entrance.
