

Sertoma-Schiefelbusch Communication Camp

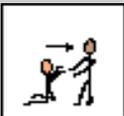

REMINDERS:

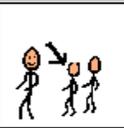

Camp Rules

Be nice to your friends

Help each other

Stay with your group

There will be some activities outside each day. You may want to apply sunscreen.

Wear your RED camp shirt on Friday for program

Europe Fun Facts:

- Europe received its name from a princess in Greek mythology. Europa was a Phoenician princess kidnapped by Zeus who had transformed into a white bull to take her.
- The largest country in Europe is Russia, even though many people think it is included in the continent of Asia because of the country's proximity to the other Asian countries.
- The thermometer was invented in Italy and the piano was created in Italy.

Today: Tuesday, June 27, 2017–Europe

We met in our big group and talked about what we were going to do today. The continent of the day was Europe. We played “Pin the smile on Mona Lisa”. Mona Lisa is a famous painting. We ran races, threw the discus and did the long jump. These are all events that will be in the Olympics this summer. They are held in London! We made Faberge eggs, and watched a video about the eclipse! I am learning a lot! In our big group we sang “The Ants Go Marching”. We painted frescos (very fancy murals) and picked out pictures to add to our digital scrapbook. Today was a lot of fun. Maybe someday I will go and visit Europe.

Tomorrow: June 28, 2017 –South America

Tomorrow we will learn about South America. We will play soccer, painting a butterfly, and make lizard door hangers. We will dance Zumba and eat Vanilla Wafers for snack. We will go on a nature hunt to find animals that live in South Africa. We will make headdresses and wear them while we dance. And, we will add pictures to our digital scrapbook.

Please note that in an effort to save paper, the newsletter for each camp day will be available on our website:

<https://splhclinic.ku.edu/communication-camp>

If you feel your child would benefit from a paper copy, please add your name to the sign-up sheet located near the entrance.
