- * Angel Falls is one of the highest waterfalls in the world. It is located in Venezuela, a country in South America. Angel falls is 3300 feet high.
- * The Atacama Desert in Chili is one of the driest places on earth.

Today: Wednesday, June 28, 2017–South America

Today we learned about South America. We started out in our big group. Our song of the day was Camp Kids Jungle Song. That is a fun song to sing with my friends. We played soccer and a bean bag toss game. We also painted butterflies and decorated lizard door hangers. I can't wait to hang mine on my bedroom door! There are big lizards in South America. We got to dance Zumba, and ate Vanilla Wafers for our snack. We made carnival masks and danced to Brazilian music. We added pictures to our digital scrapbooks. It is really fun to learn about different continents. I like camp a lot!

Tomorrow: June 29, 2017–North America

Tomorrow we will learn about North America. We will play baseball, make piñatas, and have a flapjack relay race. We watched part of a movie called "Everyone's Hero," it is about baseball! Our snack is tortilla chips. We will play landmark musical chairs, play outside for some fun in the sun, and add pictures to our digital scrapbooks.

Please note that in an effort to save paper, the newsletter for each camp day will be available on our website:

<https://splhclinic.ku.edu/communication-camp>

If you feel your child would benefit from a paper copy, please add your name to the sign-up sheet located near the entrance.
