Stay with the group

Today we started off in small groups where we looked at pictures from our scrapbook. Then we went to large group where we practiced our songs for our family presentation and talked about what we would be doing. We talked about what we liked and didn't like about camp, made 4th of July firework art, wrote postcards to a friend and played Map Bean Bag Toss. We practiced all of songs for our program. We ate Rice Krispie Treats for snack. We went on a Landmark Trail Ride Home and wrote Madlibs stories about our road trip. Then it was time for our big performance for our families and to look over the scrapbooks we made.

Actions we did:

SPECIAL THANKS TO THE LAWRENCE SERTOMA CLUB And the Douglas County Community Foundation

Our Communication Camp would not be possible without the support of the *Lawrence Sertoma Club* and the *Douglas County Community Foundation Grant*. Just what is Sertoma? Sertoma stands for SERVICE TO MAnkind and is a service club that focuses on the support of speech-language-hearing programs and services. The club meets year round at noon on the first Tuesday of the month. You may have attended the Sertoma BBQ at Broken Arrow Park in May. Our camp is supported with proceeds from the BBQ contest and a grant from Sertoma International. Camp would not be possible without our collaboration with the Sertoma Club! We invite you to attend a Sertoma Club meeting — we are always looking for new members. Just ask any of the faculty and they will give you the details. THANK YOU LAWRENCE SERTOMA CLUB!!!

We have note cards at the check in table if you would like to write a note of thanks to Sertoma and the Douglas County Community Foundation. They sponsored our camp and we are very grateful for their support.

Thanks for coming to camp.
Enjoy your summer!
