### Deanna Rose Farmstead Fun Facts:

The farmstead first opened in 1978 and was renamed in 1985 to honor Deanna Rose, an Overland Park police officer killed in the line of duty.

The Farmstead has just about any animal found on the farm - cows, goats, sheep, ponies, draft horses and miniature horses, donkeys, chickens, turkeys, geese and ducks. We also have bison, long-horn steer, prairie dogs, bobcats and the birds of prey.

Today we went on a field trip to the Deanna Rose Farmstead in Overland Park Kansas. We got to ride on a big charter bus. We were sitting up so high! It was great fun. When we got to the park, we walked around and saw so many different animals. Can you believe that there was a bobcat and a buffalo? We ate our popcorn outside of the park at some picnic tables. Then it was time to get back on the BIG bus for the trip back to Lawrence. We saw so many neat things at Deanna Rose!

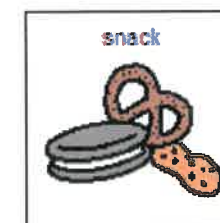

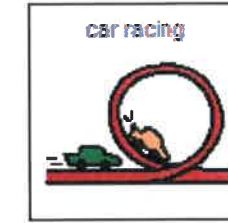

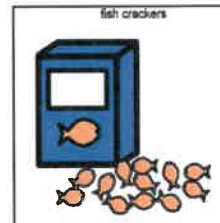

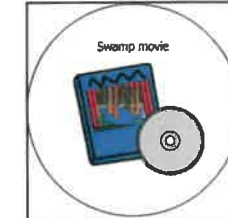

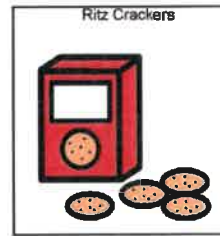

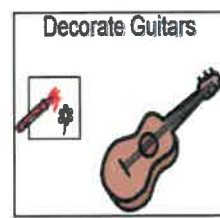

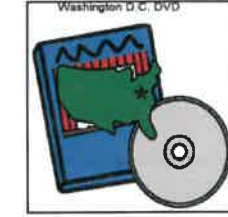

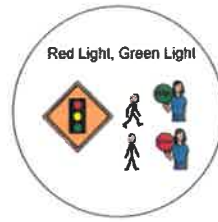

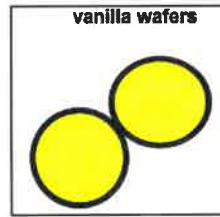

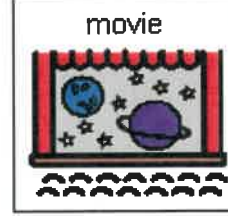

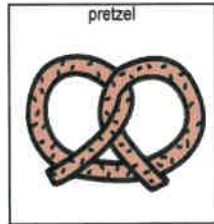

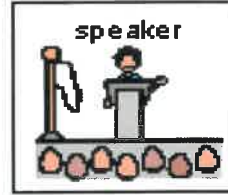

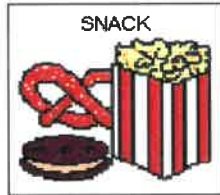

### Actions we did:

## Monday June 25, 2018-Northern Plains USA

On Monday we will learn about the Northern Plains of the USA, where we live. We will dance to jazz music, hear a story and plant some seeds.. We will see some farm equipment up close and then eat graham crackers for our snack. We will play basketball with bushel baskets, make a and float a boat. We will also do some farm yoga. We will add pictures to our scrapbook, and of course, sing some songs.

**Families:** Please keep this page to use as a visual support throughout the next week of camp. Next week a new page of symbols will be provided. It is our hope that you will talk about this past week of camp with your children, using this support if needed.
