Northern Plains Fun Facts:

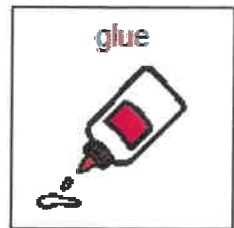

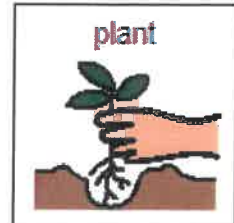

North Dakota and South Dakota became states on the same day, November 2, 1889.

Kansas is known as the Sunflower State because of its yellow prairie flowers.

Missouri has over 45,000 identified and recorded caves, more

Today we started off in small groups where we picked pictures for our scrapbook. Then we went to large group where we sang our camp song and Home on the Range and talked about what we would be doing. In our small groups, we made a trumpet, danced to jazz music, decorated pots and planted seeds. We looked at some farm equipment and then ate graham crackers for snack. We also played basketball using bushel baskets, made and floated a boat, and found animals in oats, beans and corn. We need to water our seeds so they will grow! There was a lot to learn about the Northern Plains!

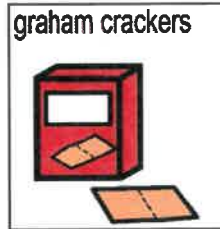

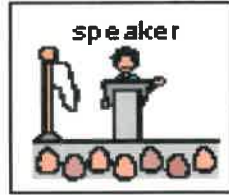

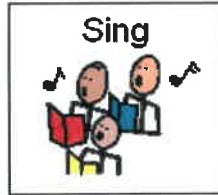

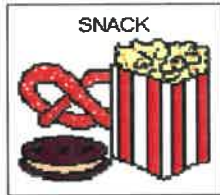

Actions we did:

Tomorrow June 26, 2018–Southern Plains USA

Tomorrow we will learn about the Southern Plains Region of the USA. We will act out the Oklahoma Land Run, make a bat, play pin the tail on the horse and watch a movie. We will eat tortilla chips for snack. We will participate do some line dancing, play Pin the Tail on the Horse and make Mardi Gras masks. We will add a page to our scrapbook, and of course, sing some songs. Camp is a lot of fun!

Parent Program

The campers will be putting on a program on Friday, July 28 for their families. During this program the campers will sing the songs they learned from camp, and families will have the opportunity to view their child's scrapbook.

Morning session program will be from 11:30-12:00

Afternoon session program will be from 3:30-4:00
