Please help us serve each participant the best we possibly can by answering the following questions regarding your child.

Has the child been diagnosed with a speech, language, and/or reading disorder? If yes, please provide the diagnosis:

Please provide other diagnoses that might be relevant to the child's participation in the Reading Wizards program.

Is the child receiving school-based support and/or services for speech, language, and/or reading? If yes, please summarize those supports/services (i.e., type, frequency, goals) or provide a copy of their current Individualized Education Program (IEP).

In what ways does the child express themselves? Verbal, speech-generating device, signs/gestures, other?

At what "grade level" do you believe the child is reading?

Does the child have difficulty sounding out new words?

Does the child have difficulty understanding what they have read?

Does the child have difficulty spelling?

Does the child have difficulty expressing their thoughts in written form?

What would you like the child to get from or learn from this program?

Describe needs or challenges that would be helpful for us to know about and how we can best support the child.

Describe any physical, health, or medical information that would be important for us to know (e.g., allergies, medications, physical needs).

Describe some of the child's interests and dislikes.

What else is important for us to know about the child?

In case of emergency, contact: _____ at: _____

Consent for taking and use of pictures and videos:

I give my permission for photographs and videos to be taken of our child during summer program activities for publication, education, or other media use related to the promotion and operation of the summer program and educational use at the University of Kansas.

Parent or Legal Guardian Signature

Date

Authorization for Emergency Medical Care:

I give my permission to Sertoma-Schiefelbusch Summer Program staff to call emergency medical service and for the medical service to provide emergency medical care for my child _____, should a medical emergency arise. It is understood that staff will make a conscientious effort to locate parents and/or emergency contacts listed on this form before any action is taken. I/We will accept the expense of medical treatment.

Parent or Legal Guardian Signature

Date
